Re: Honeywell International, Inc., et al. v. Apple Computer, Inc., et al.  
Civil Action No. 04-1338 (KAJ) (Consolidated)  
Our File No. 019896-0229

Dear Elizabeth:

As you have likely heard, several of the Manufacturer Defendants and Honeywell had a hearing before Judge Thyng on certain discovery issues. In the process, Judge Thyng raised an issue regarding a still pending motion of Honeywell to amend the Complaint in this matter, filed in July of last year. According to Judge Thyng's records, Wintek is the only remaining defendant who had objected to that proposed amendment. She asked me to inquire whether Wintek maintains its opposition to the pending motion.

Out of courtesy to Judge Thyng's schedule, please let me know Wintek's position as soon as possible.

Sincerely,

ROBINS, KAPLAN, MILLER & CIRESI L.L.P.
